

ŽIVA ZGODOVINA

na Starem gradu Celje

Naj vas grajski duh ponese stoletja nazaj, ko se je na konici meča prepletala ljubezen, pomešana s smehom in solzami dvornih dam ter njihovih vitezov.

vsako soboto in nedeljo do konca oktobra 2017 med 11.00 in 19.00

SREDNJEVEŠKI FESTIVAL, »DEŽELA CELJSKA« VABI ZADNJI TEDEN V MESECU AVGUSTU 2017!

Z grajskega hriba se v daljave vidi sij treh zvezd, ki sijajo prav tako močno kot v času mogočne rodbine Celjskih. Prepletanje mnogih zgodb in mitov o življenju ene najpomembnejših srednjeveških rodbin v Evropi vabi obiskovalce k odkrivanju Starega gradu Celje. Ljubezen, spletke, tragedije, ljubosumje, poroke in vojne so le nekateri od motivov, ki burijo človeško domišljijo še danes.

LIVING HISTORY

at the Old castle Celje

Let the castle spirit take you back centuries ago when, at the tip of the sword, love was intertwined with laughter and tears of the court ladies and their knights.

every Saturday and Sunday until the end of October 2017 between 11.00 and 19.00

MEDIEVAL FESTIVAL "THE LAND OF CELJE" INVITES YOU IN THE LAST WEEK OF AUGUST 2017!

From the castle hill you can see the glow of the three stars in the distance, which still shine just as much as they did in the time of the mighty family of the Counts of Celje. The mixture of several stories and myths about the life of one of the most important medieval families in Europe invites the visitors to explore Old Castle Celje. Love, intrigues, tragedies, jealousy, weddings and wars are merely some of the topics which still excite the human imagination.
